DOUGLAS ASKS GOVERNMENT FOR PROTECTION

Douglas, Ariz., Oct. 26.—Declarer that an attack upon Agua Prieta, Sonora, just across the international boundary by the troops of General Villa would endanger the lives of Americans here. C. O. Ellis, mayor of Douglas, has sent a telegram to the state department at Washington, it became known today, asking that assurances be given that the attack will not be permitted.

The message was sent to Washington through George Carothers, representative of the state department, who arrived here several days ago.

Residents of Douglas and vicinity are becoming alarmed and many are preparing to leave at the first sign of an attack.

Arrivals from Cananea, Sonora, said today that the copper companies there had closed their plants. Approximately 2,000 workers were employed at these plants and all have been thrown out of work with the exception of a few men retained as watchmen. A shortage of food, fuel and other supplies was given as the cause of the shutdown.

Reports were received from Naco that the stores and residences of persons living in the Cananea district were being looted by bandits. This could not be confirmed, however.
